DEAR JOHN BRAOVAC
PRESIDENT OF HRVATSKA SREDISNJICA

We, the younger generations of Croatian Catholics in southeastern Wisconsin, are excited to be hosting Mladifest for the first time in Milwaukee. The three day event will take place June 3-5, 2016 at Sacred Heart Parish and Croatian Park. With full support from our community and our parish, we have taken up the challenge and honor of hosting this event, but we cannot do it alone.

Mladifest, meaning "Youth Fest" is a gathering of young Croatian Catholics from all over the US and Canada for the purpose of celebrating and deepening their catholic faith. The previous three Mladifests were hosted near Toronto, Canada, and this North American offshoot was originally inspired by the Mladifests held for some time already in Europe (Medjugorje).

My name is Ivona Macan and I am a representative of the Croatian Catholic Youth of Milwaukee, WI and am one of the lead Mladifest organizers. We have taken up the challenge and the blessing of organizing and hosting Mladifest in Milwaukee this year. Organizing this event comes with great costs and expenses, which is why we are reaching out to your wonderful organization in the hope that you will be willing to sponsor our event!

We offer a number of sponsor packages, and in return we will advertise your company on our website, in our program books, and even on our T-shirts! For pricing, please refer to the second attachment.

We hope to make this a successful Mladifest, which we can only do with your help! This event will revitalize our home parishes all over North America, and re-energize the younger generations to continue in a more meaningful and steadfast manner in their faith. If you are able to sponsor our event, please respond back to me, Ivona Macan, by either phone or email (listed below) as soon as possible. We have already received a good amount of registrations from all over North America and we have already been advertising this event. We would be elated to have your support during this entire process.

Thank you in advance for your help and support. Please read the enclosed brochure and information and please do not hesitate to reach out to us if you have any questions.
